

# ICAN International Children's Aid Network

*We're Almost Home!*

After a journey of more than 1600 days  
there are only 2 last stages to finish and we get to move in....

*Home at last!*

## **Bonus Government Assistance**

When these final 2 stages of the dorm/dinning facility are complete the government of South Africa will provide by law:

1. Monthly financial aid to each child
2. Monthly stipend for each child's education and medical needs
3. A complete commercial kitchen
4. Commercial clothes washers and dryers
5. Dorm and living area furnishings and bedding

The ICAN Children's Village, Soweto, South Africa, plumbing and electrical infrastructure are in the final two stages to completion of the 10,000 sq. ft. dorm/dinning facility pictured below.

To meet all local building codes the plumbing and electrical work must be done by certified professionals before they can be connected to the public utilities. Our volunteer labor force will provide much of the work under the close supervision of plumbing and electrical experts. We need about one month and \$125,000 to complete these final two stages.

We are asking you, our partners, for donations to help us finish this dorm/dinning facility that up to 125 orphans will soon call home. ICAN is a 501 (C)(3) tax exempt organization run by volunteers that receive no salaries.

**You can use PayPal at [www.icaninfo.com](http://www.icaninfo.com)  
or send your donations to:**
